

Audit Online Hub - Recent changes and updates

Dear ,

We are updating our Audit Online Hub on a regular basis. To keep you informed, we send you an update about the latest changes and news. If you would like to see the latest changes in brief, please click [here](#) to visit our website. For a more detailed overview, please read on.

Recent changes and more

As announced in our previous newsletter edition, version 3.4.2 was transferred to BETA environment (beta-audit.globalgap.org) on 16 February 2023.

AOH v3.4.2

New features:

- Auditor qualifications and approval linked to Certification Body Administration Tool (Smart audits (v6)).
 - A new precondition has been established to create a v6 audit report which stipulates that all auditors shall be registered in the Certification Body Administration Tool (CB-AT) to proceed with the audit generation. The competencies of the audit personnel should be 'Approved' or 'Temporarily approved' to be accepted by Audit Online Hub.

Configuration changes:

- Roles validation (Smart audits (v6)).
 - Added new leading business rules for all users assigned to an audit report:
 - The auditor cannot be nominated as “Reviewer” and / or “Certification Committee” for the same audit report.
 - The “Reviewer” and the “Certification Committee” can be the same person.

- Added principles and criteria to GRASP v2 QMS (Quality Management System) (Smart audits (v6)).
 - Principles and criteria of the GLOBALG.A.P. Risk Assessment on Social Practice v2 add-on Quality Management System are now available for v6 audits.

- Added notification to check on the compliance of the minor principles and criteria for worker's welfare in GRASP v2 audits.

Bugfix:

- Issues while using the "Copy audit" functionality have been corrected.
- Deletion of product in the scope of the audit has been corrected.
- Deletion of sites of the audit has been corrected.
- 'Certification body decision' and 'Validity dates' sections (disabled) have been corrected.

Thank you to all our users who send us valuable feedback on their experience with AOH.
